

Personal Labs — All-in-One Growth & Life Tracker

Complete User Guide: How to Track Money, Nutrition, Learning & Habits

■ Why Use This Site? (Core Benefits)

- **Total Financial Control:** Know where every rupee goes, prevent overspending with red budget alerts.
- **Zero Manual Math:** Auto-calculates protein, macros, rolling savings & wealth compounding.
- **100% Free & Cloud Synced:** Add entries on your mobile phone, view instantly on your laptop.

■ 3-Step Setup

1. Open Link in mobile browser
2. Register with your email
3. Track & Sync on phone & laptop

[■ EXPENSES] • Smart Expense & Money Ledger (TOP PRIORITY)

- **Daily Income & Expense Ledger:** Easily record your daily spending and salary/income with custom categories, dates, and notes.
- **Monthly Category Budgets & Crimson Red Alerts:** Set spending limits (e.g., Food, Room, Travel, Shopping). If spending exceeds the budget, the app triggers prominent **Crimson Red** warning alerts.
- **Automatic Rolling Savings:** Your leftover net balance from the previous month automatically carries forward into the new month's pool.
- **Wealth & Investments Hub:** Track your long-term SIP Mutual Funds, and optional company-matched Provident Fund (PF) and GMC Health Insurance.
- **1-Click Statement Export:** Instantly download full financial reports in **Excel (.xlsx)**, **CSV**, or print a formatted **PDF statement**.

[■ FOOD LOG] • Nutrition & Daily Protein Tracker

- **Indian Food Dictionary:** Pre-configured database for Indian diets: **Milk, Sattu, Boiled Eggs, Chicken, Rice, Dalma, Paneer, Oats, Dates, Nuts, Poha**.
- **Auto-Calculated Macros:** Type your portion (e.g. 100g, 2 eggs, 1 bowl) and it instantly calculates **Protein, Calories, Carbs, and Fats**.
- **Milk Auto-Fill Routine:** Searching 'milk' offers 1-tap auto-fill for **■10 Daily Pouch (200ml / 6.4g Prot) & Weekend Pouch (500ml / 16g Prot)**.
- **Sweet Cheat Treat Alerts:** Flags high-sugar items (>10g) with red warning alerts to keep your diet disciplined.

[■ LEARNING] • Study Hours & Skill Roadmap Tracker

- **Daily Study Log:** Track study sessions, topics covered, and total daily focus hours.
- **Visual Roadmap Milestones:** Build custom learning roadmaps with target dates and live completion progress bars.
- **Study Stopwatch:** Integrated persistent timer to track real-time study sessions.

[■ WELLNESS] • Sleep Quality & Daily Habit Routine

- **Sleep Tracker:** Log bedtime, wake-up time, and sleep quality recovery scores.
- **Daily Hydration:** Monitor your water intake and maintain health discipline.

[■ DASHBOARD] • Unified Multi-Metric Growth Hub

- **All-in-One Snapshot:** View Net Savings, Protein Intake, Study Hours, and Sleep Score on a single screen.
- **Consistency Streaks:** Visual rings and progress trackers to keep you motivated every day.

■ 100% Private, Cloud-Synced & Encrypted

All data is stored in **MongoDB Atlas** with AES-256 encryption. Each user account is completely private and isolated. Log in from your phone, laptop, or tablet anytime.
